TOURNAMENT RULES

The 31st Annual NFL Alumni Southern California Chapter Charity Golf Tournament is a handicapped team scramble tournament. Each foursome is captained by a former NFL player. All handicaps are subject to verification, and only teams with verified handicaps from all five members will be eligible for prizes. Whether you are a scratch golfer or a 26 handicapper, you can compete on an equal basis in the tournament.

The scoring system is based on a team handicap derived by taking the lowest handicap in the five-some and multiplying that number by 35%. The NFL Alumni Handicap System allows each team to have one "A" player (0-8 handicap) or two "B" players (9-16 handicap). If your team has more than one "A" player or more than two "B" players, penalty strokes are added to level the playing field. Decisions of the Tournament Golf Committee on handicapping, penalties, and scoring are final.

So, team up with the legends! Help the NFL Alumni Southern California Chapter to make a difference in the lives of our military children. Listed below is a partial list of invited Team Captains:
