Honoring Military, Veterans & First Responders

San Juan Capistrano, CA

This May, the beautiful grounds of Mission San Juan Capistrano will once again transform into a stunning field of more than 400 (3'x5') 7' tall U.S. Flags. Bring the entire family and your friends to experience this not to be missed pageantry of Stars and Stripes, proudly standing in solemn formation to honor those who willingly defend our freedoms and protect our communities. This spectacular sight will move you and take your breath away. And, once experienced the emotionally filled imagery will leave an indelible impression. **Net proceeds go to support programs for military families.**
